Compliments, Lost Property, Complaints  
Flat fare is *per trip*, not *per person*

**New Exterior Door and Flat Fare Stickers**  
Above is the new exterior door sticker reflecting the fare adjustment that will become effective as of November 30, 2006. At right is the required interior flat fare sticker, approved by the TLC at its most recent public meeting, which reflects the addition of a flat fare from Manhattan to JFK Airport that will also become effective on November 30. These stickers are available at licensed taximeter shops.
