

Industry Notice #07-01  
For Immediate Release

February 16, 2007

## **Important Change to the FOR-HIRE and PARATRANSIT Vehicle Transfer Process**

The New York City Taxi and Limousine Commission (TLC) is modifying its requirements to complete a Vehicle Transfer.

Effective from Monday, February 26, 2007 the TLC will no longer accept a Vehicle Transfer application unless you have first properly registered your vehicle with the Department of Motor Vehicles (DMV). This includes ensuring that DMV records reflect that the plate associated with the new vehicle is the one on file with the TLC.

This changes the current process in which a Vehicle Transfer application could have been submitted prior to the vehicle's having been registered. **Again, the TLC will no longer process a vehicle transfer unless the vehicle has first been registered with the DMV.**

As indicated above, this change becomes effective on Monday, February 26, 2007 and affects anyone seeking to replace a current vehicle.
