Accessible Taxicabs to Get Priority at JFK Airport

Starting on November 3, 2008, accessible taxicabs will receive priority when being dispatched at JFK Airport. The Port Authority of NY and NJ will sponsor this pilot program as an incentive to encourage taxicab drivers to provide service to people with disabilities.

Accessible taxicabs must have the new, blue accessible logo on the front hood of their cars to participate in this program. For more information on the logo, please visit the TLC website at www.nyc.gov/taxi.
