

Industry Notice #09-16
For Immediate Release

August 3, 2009

Attention Black Car and Livery Owners: **What to do if you need the new TLC decals (stickers)**

You must have the new TLC decals (stickers) in your rear quarter windows by September 1, 2009. Starting August 10, 2009, you can come to the Taxi and Limousine Commission's (TLC's) Woodside facility to get your decals if you have not received them from your base.

To get the decals, come to the Woodside facility between 12 p.m. and 4 p.m. You do not need an appointment.

Please make sure to bring your TLC license and vehicle permit with you. If you send your vehicle with a non TLC-licensed driver, they must bring something showing that they have the power of attorney from you.

Take tints off of sedans, like Lincoln Town Cars, before you come to Woodside.

Make sure to check these items before you come in:

- You must display your original TLC driver's license (no copies are allowed);
- You must display the *Livery Bill of Rights*, and it has to be an original that is from an authorized printer (no copies are allowed);
- You cannot have any stickers on your rear window;
- You cannot have tints on the side windows unless your car is an SUV, minivan or stretch limousine.

Please call the Call Center at 212-227-6324 or visit our Web site at www.nyc.gov/tlc if you have any questions.
