TLC ADDING SATURDAY DMV INSPECTION APPOINTMENTS

The New York City Taxi and Limousine Commission (TLC) today announced that, in response to the high volume of appointment requests for full DMV Inspections at the Woodside facility this time of year, the TLC will be opening its doors on Saturdays beginning on March 5, 2011. Saturday appointments will continue for approximately four- to six-weeks.

Appointments will be scheduled between the hours of 7AM and 1PM.

PLEASE NOTE: These appointments are only for initial DMV inspections. No re-inspections or corrections on notice of violations will be done on Saturdays.

Please be on time for your appointment!
