Due to the impending citywide school bus strike that could affect as many as 152,000 schoolchildren and their families, the New York City Taxi and Limousine Commission (TLC) requests that all taxicab and for hire service providers be prepared for additional service demand and take steps to ensure that as many drivers and vehicles are available and ready to address this anticipated additional demand.

As this is a developing situation, we encourage all our licensees to check [www.nyc.gov](http://www.nyc.gov) for updates.
