

## **Traffic Advisory - Weekend Queens-Midtown Tunnel Rehabilitation Work & Eastbound Long Island Expressway Repaving**

The Queens-Midtown Tunnel will be closing one tube for repairs this weekend from 2 a.m., Saturday, through 5 a.m., Monday. During these times, only one lane will be open in both directions for cars and buses only. No trucks will be permitted to use the tunnel during these hours and must use alternate routes to/from Queens and Manhattan.

In addition, only one lane will be open on the eastbound Long Island Expressway just east of the tunnel from 11 p.m. Friday, through 5 a.m., Monday, for roadway paving. Heavy delays are expected during peak travel times. Motorists should allow for additional travel time or seek an alternate route.
