Electronic Dispatch Records – Information Sessions

The New York City Taxi and Limousine Commission (TLC) will be hosting information sessions to facilitate an orderly transition to the process that For-Hire Vehicle (FHV) bases will use to submit trip records routinely, pursuant to the FHV accountability rules that went into effect on December 31, 2014. For information about the process, please visit www.nyc.gov/triprecords.

TLC encourages all base owners, managers, and dispatching companies who would like to gather more information about the process for submitting trip records to attend an information session. At these sessions, attendees will have the opportunity to speak with TLC staff and ask questions about the process. Please make sure to arrive on time as capacity is limited and you may be turned away.
