TLC ANNOUNCES MEDALLION VEHICLE RETIREMENT EXTENSION

The New York City Taxi and Limousine Commission (TLC) would like to inform its licensees that in light of ongoing litigation, which has postponed the Official Taxicab Vehicle (OTV) Activation Date, we will extend the retirement dates of those vehicles scheduled to retire before August 31, 2015.

All Taxicab vehicles with retirement dates scheduled June 30, 2015 to August 30, 2015 will receive a new retirement date of August 31, 2015. Owners may continue operating their existing vehicles until the first scheduled inspection on or after August 31, 2015.

All Taxicab vehicles must continue to appear for and pass all scheduled inspections.
