**DMV to Issue New Taxi Plates**

The New York State Department of Motor Vehicles (DMV) has begun notifying medallion taxicab owners that all future taxi plates will be in a new format, as shown below.

The DMV is changing the plate configuration to a “YC” series plate for medallion taxis and an “SV” series plate for stand-by vehicles.

Medallion owners will continue using their current plates. New plates issued to the owner in the future will be in the new format.
