The Port Authority of NY/NJ has informed the TLC that beginning Thursday, May 10, 2018, on peak travel days for limited periods of time, the LGA Terminal B taxi stand will relocate to the former FHV Pickup Lot on Runway Drive. Customers will be transported via shuttle bus from the permanent Terminal B taxi stand. This temporary operation enables taxis to get onto the Grand Central Parkway quickly via a direct connect on-ramp.

Drivers and customers should pay close attention to all posted signs and flyers as traffic conditions are subject to change.

Taxi and FHV drivers may continue dropping-off passengers at Terminal B.

Staging lots and customer pick-up operations for Terminals A, C, and D are not affected by this change.
