

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION
CITYWIDE JOB VACANCY NOTICE

Civil Service Title:	Computer Associate Software	Level: I
Title Code:	13631	Work Location: 33 Beaver Street New York, NY 10004
Office Title:	Computer TPEP Analyst	Salary: \$56,151 - \$77,844 (New Hire) \$64,574 - \$77,844 (Incumbent)
Division/Work Unit:	Management Information Systems	No. of Positions: 1

JOB DESCRIPTION

The New York City Taxi and Limousine Commission is responsible for regulating all Medallion and "For Hire Vehicles" within the City of New York. To assist in operations the Taxi and Limousine Commission (TLC) runs a number of, SQL Server and GPS technologies (in a Windows environment) to both conduct and monitor operations.

At present the TLC is seeking a computer Business Intelligence /Systems Analyst professional who can:

- Analyze and clearly document user requirements for various forms of Trip Data.
- Use the data to create sophisticated graphical and tabular analysis reports for users.

More specifically the selected candidate shall be required to:

- Attain a thorough understanding of essential business data
- Meet with users to identify requirements
- Meet with TLC DBAs as needed to help insure that TLC DBs are appropriately tuned for user needs
- Create meaningful cubes/views for users to work with
- Develop more complex graphical and textual analysis and trending reports for users

PREFERRED SKILLS

- Excellent communication, writing, and documentation skills
- Strong analytical and problem solving skills.
- Strong knowledge of Business Intelligence and Geographical Information Systems
- Ability to work as part of team and independently
- Experience with MicroSoft O/S, Office and Development products
- Knowledge of DB administration and optimization

QUALIFICATION REQUIREMENTS

1. A baccalaureate degree from an accredited college including or supplemented by 24 semester credits in computer science or a related computer field and one year of satisfactory full-time computer software experience in computer systems development and analysis, applications programming, database administration, systems programming or data communications; or

2. A four-year high school diploma or its educational equivalent and five years of satisfactory full-time computer software experience as described in "1" above; or

3. Education and/or experience equivalent to "1" or "2" above. College education may be substituted for up to two years of the required experience in "2" above on the basis that 60 semester credits from an accredited college is equated to one year of experience. In addition, 24 semester credits from an accredited college or graduate school in computer science or a related field, or a certificate of at least 625 hours in computer programming from an accredited technical school (post high school), may be substituted for one year of experience. However, all candidates must have at least a four-year high school diploma or its educational equivalent and at least one year of satisfactory full-time experience as described in "1" above.

To apply please submit 2 copies of cover letter and 2 copies of resume to:
