# Implementation

- Rules will be presented to the Commission for a vote in June
- If rules are approved, they would go into effect in the middle of July
- All vehicles would need to install new stickers by the last inspection of 2007
  - Inspection cycle starts in September

# Implementation

- Stickers would be printed by meter shops, fleets and other organizations
- Printers would obtain design from TLC
- Estimated cost of sticker package would be \$15–20

# Outreach

- Many industry members saw the logo design at the *Taxi 07* exhibit
- Constituent Affairs has begun outreach
- Preliminary feedback has been largely positive
