MR. FRASER: I am Charles Fraser. I am the general counselor for the taxi and limousine commission. We are here today to here public testimony on propose Chapter 10 relating to Paratransit basis and vehicles. The propose rules were published 30 days ago, for public comment. We have received no written comments, and there is nobody here today to testify. The only thing I will say we will put the transcript on our website for anyone who might read it. On the website we will continue to accept comments.

I anticipate at the June commission meeting we will be putting the propose rules before the commission for a conditional approval, but final approval will still be several months away, so that anyone who might have any additional comments on propose chapter 10 should feel free to submit them, thank you.

(Whereupon, at 2:33 p.m., the above matter concluded.)

I, MARICHAL L. HARRISON, a Notary Public for and within the State of New York, do hereby certify that the above is a correct transcription of my stenographic notes.
