For Friedman, along with many business leaders, writers and thinkers, <i>How</i> is not just a transformative book, but a lens for seeing the world and making decisions in a completely different way: wired, interconnected, cooperative and transparent. Tom Friedman brings Dov Seidman to the 92Y stage to talk about the thinking behind <i>How</i> and what it can mean in our lives and in our world. Having already shown us that the world is Hot, Flat and Crowded, Friedman talks with Seidman about how we need to change the way we behave in that hot, flat and crowded world.</p>
