

## **WordPress Website Developer / Graphic Design**

To apply, please email your resume and cover letter to Human Resources at [webhr@rcaonline.org](mailto:webhr@rcaonline.org) with the Subject "WordPress"

**The compliance environment continues to escalate as a result of increasing regulatory and corporate initiatives. Consequently, a void has developed in the area of compliance education.**

**The Regulatory Compliance Association (RCA), a not-for-profit association, emerged to create a comprehensive compliance education curriculum.**

**Over the last few years, the RCA has evolved to the point of searching for a WordPress Developer and Graphics Designer for its website and web based advertisements.**

**The ideal candidate will have the following characteristics:**

**Candidates should possess an advanced level of working knowledge in WordPress template design and creation.**

**The ability to create WordPress websites that are user friendly and intuitive, while maintaining their corporate appearance.**

**The ability to integrate pictures into the website and navigation where appropriate.**

**The ability to make RAW graphics based on the "idea" provided by the client.**

**The ability to create a website design, framework, and appearance based on that idea.**

**The ability to create and design with a coherent work flow.**

**If these are your strengths, let us know.**
