

SOCIAL SECURITY

Dear Colleague:

Please join us on November 4 for our national webinar – “Social Security for Wounded Warriors.” During the webinar, you can learn more about our benefit programs and the expedited processing of disability claims available to our nation’s Wounded Warriors. The expedited process is used for military service members who become disabled while on active military service on or after October 1, 2001, regardless of where the disability occurs.

We welcome service members, their families and friends, and those that advocate on their behalf to participate in this seminar for the web as we discuss:

- Who is eligible?

- When to apply?

- How to apply?

The webinar will be hosted via www.socialsecurity.gov on November 4, 2009, at 2:00 p.m. EST.

To RSVP for the webinar, please visit: <http://www.socialsecurity.gov/survey/woundedwarriorsrsvp.htm>. You will have the option of submitting questions in advance of the webinar with your RSVP.

We also ask that you share the information about the webinar with your members, colleagues, clients, and any others who may be interested.

I hope that you will join us and I look forward to the opportunity to discuss this important program with you.
