

Hola, soy Maria Baez, su concejal.  
Gracias por su apoyo. Hello, my name is  
Maria Baez and for nearly eight years I have  
been honored to represent the people of  
Fordham, Kingsbridge, Morris Heights and the  
West Bronx in the New York City Council.

During this time I have worked hard to  
make sure that our schools better prepare  
our kids for a successful future, to build  
decent, safe, and attractive affordable  
housing, and to fight against cuts to needed  
services especially for our seniors.

This work hasn't been easy but with the  
help of friends, neighbors and you, I have  
made sure that all of the people of the 14th  
District are well-represented at City Hall.

I became involved in public service  
more than 20 years ago because I wanted to  
build a community that our families could be  
proud of. As a member of the Council, I

have developed the experience, the skills, and the relationships that have delivered for our community.

Whether it's new technology for our schools or fighting against the closing of our senior centers, I have been there, fighting for you.

Working together in an active partnership with the community residents, our houses of worship, educators, businesses, and community based organizations, I am confident that we will continue to strengthen our community, the Borough of the Bronx, and the entire City of New York.

I am up for re-election and I hope I can count on your support so that we can continue the work we began to make our community the best that it can be.

Remember, vote for Maria Baez for New  
York City Council.
