

Hi, my name is Fernando Cabrera  
and I am a candidate for the 14th Council  
District, in the Bronx.

With the promise of new leadership, I  
am running to end almost eight years of no  
show representation. This District needs  
immediate and constant attention in the  
areas of job creation, education, street  
safety, senior services and health care.

We need a representative that goes to  
work 100 percent of the time in City Hall,  
at the Community Board meetings and with the  
community organizations and residents.

I will focus 100 percent on the real  
work of negotiating for limited city  
resources on behalf of our neighborhoods.

So far I have met with many  
neighborhood residents and local businesses  
and community leaders to share my message

about leading and getting things done for our future.

Like, for example, making Grand Concourse grand again by beautifying and renovating this important commercial corridor. Ensuring that the Kingsbridge Armory Project will benefit all segments of the community with good paying jobs and vital services for local residents. Improving the quality of education to increase graduation rates and solve the problems of overcrowding.

Creating more affordable housing for families who want to stay in this Bronx and city, and not be forced away. Preserving and increasing our parks and open space for recreational activity. Fighting crime with stronger community policing and anti drug & gang activity hotlines. And supporting safe domestic abuse reporting.

This is the neighborhood where my  
family and so many other families have built  
a legacy of hard work and success.

Vote for Fernando Cabrera. With your  
help we can make this happen.
