

Hello. My name is Jose Eduardo Giraldo, and I am running for City Council.

As a small business owner and past president of the Queens Hispanic Chamber of Commerce, I have worked hard to create jobs for the people in this community.

As a father, I understand that nothing is more important than investing in our children's future and making sure that they have the resources they need to give our kids a world education.

As an immigrant, I am fortunate to be successful, and I want to give back to my community. As an American I will be an advocate for the rights and freedom and citizens, regardless of their background.

Some of my top priorities in this campaign are the environment, keeping trash off the streets, providing services for

senior citizens, fighting for quality jobs.
I promise to improve the quality of life for
our residents.

Our community deserves the best, and I
pledge to represent this District with the
highest standards of integrity and ethical
conduct.

On Election Day, I hope that I can
count on your vote. And I promise to be the
City Councilman that you can be proud of.
