

Hello. I'm Brent O'Leary. I am a candidate to represent you for the New York City Council for the 26th District, which is Woodside, Sunnyside, Long Island City and parts of Astoria and Maspeth.

My campaign is based on two principles, how to make government responsive to the people and how to improve your daily life.

For the first part, my mission is to make government transparent, accountable and accessible. To accomplish this I will have monthly town hall meetings, record and post all conversations between elected officials and lobbyists so that special interests don't stop your voice from being heard, and throw open the books of government for all to see. The government works for us and I will make them remember that. I will make government responsive to our needs and include us in the process.

For the second part, I will find creative ways to provide more funding for our education, health care and seniors. I plan to do this by cutting the waste in government, utilizing government assets more productively, expanding our tax base and bringing quality jobs to the neighborhood.

One of my main objectives will be to bring down your daily living costs. My job is to put money back in your pocket so I will be implementing incentives to make government efficient, to bring down our utility, transportation and other daily living costs.

I was a grassroots organizer and superdelegate for Barack Obama, and I have proven myself in the world of law, business and finance, and now I want to put those abilities to work for you.

I will be reaching out to our diverse community so that all voices are heard, and I encourage you to come and meet with me at my office on 64th and Roosevelt Avenue.

I am honest, able, and most important, I know my job is to serve you.

I'm Brent O'Leary, and if you want honest effective government, I humbly ask for your vote.

Thank you.

Soy Brent O'Leary , estoy corriendo para consehaj de queens y necesito su ayuda.
