

My name is Tracy L. Boyland and I am running as a Democratic Candidate for the 41st City Councilmanic District in Brooklyn which includes Ocean Hill, Brownsville, Crown Heights, Bedford Stuyvesant, and East Flatbush.

The people have decided that I should challenge the incumbent that has failed to make meaningful connections with the constituents and addressing the big issues facing our children, families, seniors and our community.

My candidacy for the New York City Council is an opportunity to shift the direction in which this community is heading. That is why I am renewing my commitment to improving the quality of life for all New Yorkers.

Sitting by the sidelines talking about the problems of our community is not a

solution. You need a Councilmember who can get the job done at City Hall while addressing our concerns and issues.

I am running to ensure that the mayor hears your voice at City Hall and our community has the resources to address the issues facing our children, adults and seniors.

Your help is needed. I urge you to tell your family, friends and neighbors to support my campaign for the 41st City Council District in Brooklyn which includes Ocean Hill, Brownsville, Crown Heights, Bedford Stuyvesant, and East Flatbush.

Thank you for your continued support.

Tracy L. Boyland
