

Hello, my name is Domenic M. Recchia, Jr. and I am the Councilman for the 47th District. For the past 8 years, I've proudly represented Coney Island, Gravesend, Bensonhurst and Brighton Beach. I am running for re-election because I love my job and I stand by my strong record of achievement in South Brooklyn.

During my first two terms I've brought in more than \$20 million for our schools to fund gyms, auditoriums and technology labs. I've advocated for our local senior centers and senior programs like Meals on Wheels. As chairman of the Cultural Affairs and Library Committee, I fought to keep libraries open six days a week, and established the Cultural After School Adventures program, which encourages the arts in our schools.

I recently oversaw the rezoning of Coney Island, which was one of the largest

rezonings in New York City's history. This historic commitment will bring year-round jobs and attractions, as well as affordable housing and better infrastructure, to South Brooklyn. This will create 25,000 construction jobs and over 6,000 permanent jobs. We will also build the community center that Coney Island residents have requested for years.

When re-elected, I will continue to advocate for seniors and for education. I will ensure that the Coney Island rezoning turns into a sustainable reality. I will continue to advocate for more police protection to combat crime. But, most importantly, I will continue to work with my constituents to ensure that their problems are being solved.

I have the experience, education, motivation and determination to get the job done. My children attend public school and

my wife is a public school teacher and my mother keeps me up to date on senior issues.

I was born and raised in South Brooklyn and I've dedicated my career to giving back to this wonderful community which gave me so much as I was growing up.

For these reasons, I hope you will help re-elect me to the New York City Council..
