The Hospital

Something magical happens in the hospital.

Ask Alisha...

Mrs. Medina and Alisha

Mrs. Medina is in the hospital. Her grandson draws her a picture.

So, how was your visit with the family?
Oh, I see you have an artist in your family!

My grandson.

Is that your house?

Yeah. It's nice to see
my home again.

You must miss it
very much.

Mrs. Medina is afraid she will never go home.

Yeah. I can't wait to go back home.
But sometimes, I think I'll never...

Mrs. Medina, we want you
to get well as soon as possible.
We will do everything
we can to help.

The Next Day

Mrs. Medina Is Feeling Better

A few days later, Mrs. Medina has a surprise for Alisha.

Mrs. Medina drew beautiful pictures of the hospital workers.

Mrs. Medina has one more picture.

Hang Them on the Wall?

Everyone loves the pictures. The medical director has a question.

Daniel shows him the pictures, and Dr. Patel has an idea.

Dr. Collins isn't sure.

Let's Have an Art Show!

Mrs. Medina's pictures are on the wall.
The hospital workers want more art.

They make a plan.

The Workers Organize an Art Show

Daniel puts up a sign. Orlando talks to Clayton.

Hey, Clayton.

about the art show?

Clayton paints with a mop! Halina takes photographs.

Toni makes a West Indian headdress.

Art in the Hospital

Mrs. Medina wants to talk to Dr. Collins.

She has an idea.

A little later, Dr. Collins is in a good mood!

The Art Show Opens

A reporter from a local newspaper comes to the art show.

Mrs. Medina tells her story.

It's a magical moment.
