Adoption and KinGAP Support Services	Tinaddine Turner	212-341-8978	Tinnaddine.Turner@acs.nyc.gov
Adoption & KinGAP Support Services (AKSS) is dedicated to increased rates of permanency and reduced lengths of stay for children in foster care, as well as the provision of post adoption assistance. AKSS works cross-divisionally with other ACS programs to ensure collaborative efforts with stakeholders such as provider agency staff, adoptive youth, adoptive parents, FCLS and adoption attorneys, Family Court and the Office of Children and Family Services (OCFS) in working toward achieving and sustaining permanency. Under Adoption and KinGAP Support Services there are four functional areas: Adoption Subsidy Unit, Adoption Permanency Monitoring Unit, Kinship Guardianship Assistance Program (KinGAP) and Post Adoption Program. Additionally, as a recruitment resource for children in need of an adoptive resource, AKSS oversees the Wednesday's Child Program. The program is funded by a private grant through the Dave Thomas Foundation for Adoption.			
Adoption Permanency Monitoring Unit	Kim Halpern	212-442-0643	Kim.Halpern@acs.nyc.gov
The Adoption Permanency Monitoring Unit works closely with our foster care agencies and other key stakeholders to identify specific cases and agency trends in case practice that pose challenges to adoption finalizations. Technical assistance is provided, when necessary, to assist and address those barriers impeding the process. Every quarter, a spreadsheet of current freed children with a goal of adoption is provided to the agencies to focus efforts on moving these children to permanency. Along with the provider agencies and courts. The unit partners with the state to achieve adoption permanency.			
Adoption Subsidy	Jessica Castro	212-341-2731	Jessica.Castro@acs.nyc.gov
The Adoption Subsidy Unit is responsible for receiving and reviewing subsidy requests from prospective adoptive parents to ensure they meet the requirements for Adoption Subsidy. Applications are forwarded from the contract agency when the termination of rights have been filed or the child is freed for adoption and adoptively placed. Once all documents are received, ASRU reviews for subsidy eligibility and Title IV-E eligibility. If subsidy is approved, ASRU supervisor signs off and forwards to NYSOCFS for approval.			
Agency Program Assistance (APA)	Preventive Contact: Tanya Scott	212-442-5870	Tanya.Scott@acs.nyc.gov
	Foster Care Contact: Bonnie Doran	212-341-3027	Bonnie.Doran@acs.nyc.gov
The Agency Program Assistance (APA) team's mission is to help improve the quality of services provided and the outcomes achieved by Children's Services provider agencies for New York City's children and families. Located within the Division of Policy, Planning and Measurement, the Agency Program Assistance (APA) unit is comprised of teams of performance monitors assigned to preventive and foster care providers. APA works collaboratively with both provider agencies and ACS stakeholders to improve performance. Through Collaborative Quality Improvement (CoQI) APA analyzes practice and outcome data collected to identify areas of strength and areas in need of improvement with each provider agency. APA works collaboratively with provider agencies throughout the CoQI cycle to develop priorities and Improvement plans. APA engages in ongoing and consistent dialogue with each provider agency regarding performance and progress on improvement plans.			
APPLA & Monitoring Unit	Jorge E. Pastor	212-341-3189	Jorge.Pastor@acs.nyc.gov
Monitors Preparing Youth for Adulthood (PYA) submission compliance. Randomly reviews and assesses selected PYA plans (In-Care, Discharge and Supervision Until 21 checklists) completed by provider agencies for young people between the ages of 17-21. The documenting services reviewed include: Discharge Planning; Housing; Health/Health Insurance; Educational/Vocational Opportunities; Employment Opportunities; Opportunities for Adult Permanency Resources; Continuing Support System; and Vital Documents. The Unit meets on a quarterly basis with the provider agency community to review findings, provide technical assistance to improve positive outcomes for APPLA + youth transitioning to self-care.			
Bridges to Health (B2H)	Tracy-Ann Johnson-Samuels	212-676-7192	Tracy-Ann.Johnson-Samuels@acs.nyc.gov B2H mailbox: www.nyc.gov/acs/b2h
The Bridges to Health(B2H) is a Home and Community based Medicaid waiver program that provides opportunities for improving the health and well-being of children in foster care or community services supervision.			
The purpose of the B2H program is to avoid, delay or prevent medical institutional care and provide enhanced services to children with disabilities. B2H services are provided to the child, family and caregivers in the foster home or community setting.			
B2H consist of three waivers – Serious Emotional Disturbances (SED), Developmental Disabilities (DD) and/or Medical Fragility (MedF)-designed to provide community-based health care services and supports to children in foster care or DJJOY community services supervision and to those children discharge from foster care or DJJOY. The services follow a child after discharge from foster care if otherwise eligible up to age 21.

Case Practice Consultation	Fayette Bennett Neil Freedman	212-341-3239 212-676-9271	Fayette.Bennett@acs.nyc.gov Neil.Freedman@acs.nyc.gov
ACS has established a new case consultation function within the Family Permanency Services Division to provide consultation, technical assistance and support to foster care agency staff on individual cases. This is a pilot program that will be implemented with 5 provider agencies. Currently 3 agencies (MercyFirst, Catholic Guardian Services, and Forestdale Inc.) have been engaged and 2 others will be selected. ACS Senior Practice Consultants (SPCs) will work directly and collaboratively with ACS' contracted foster care provider agencies to deepen and strengthen agency practice resulting in improved well-being, safety and permanency outcomes for children in foster care, reduced lengths of stay and rates of re-entry into foster care. Initially, the SPCs will focus on helping to find permanency for youth in care over 2 years. College Room and Board – Exceptional Payment (CRB EP)	Phyllis Brodsky	212-341-3318	Phyllis.Brodsky@acs.nyc.gov
College Room and Board – Exceptional Payment (CRB EP) provides payments for youth who are 21–23 years of age and attending a college or university full-time, reside on or off campus and need financial assistance for room and board. CRB EP staff also maintain monthly contact with youth in order to provide on-going support, resources and services. In addition, CRB EP staff processes pass-through payments for these youth ages 21–23 when they return to New York City during school breaks and holidays and have no stable housing option; the provider agency is responsible to identify a foster home willing to house the youth during the indicated school break if the youth does not have an identified foster resource in which to return.			
Connections Mailboxes Systems Support Office (SSO)	SSO Mailbox	SSO Mailbox	fostercare@acs.nyc.gov
In addition to the Communications Center, which is the single point of contact for resolving problems and concerns around systems and systems policy issues related to ACS Connections cases; SSO also facilitates the transfer of case management between IOC agencies and CPS & FSU Units upon notification of a family court supervision order.			
Corrective Action Monitoring Unit (CAMU)	Fabian Matthew	212-442-8202	Fabian.Matthew@acs.nyc.gov
Corrective Action Monitoring Unit (CAMU): At the conclusion of an investigation of a report made to the Statewide Central Register of Child Abuse and Maltreatment (SCR) involving a foster home or a child who is in foster care, the Office Of Special Investigation (OSI) may create a corrective action plan (CAP) with recommendations for a foster care provider to enhance the safety and well-being of the child(ren) involved in the report. The Corrective Action Monitoring Unit (CAMU) monitors the progress the provider agencies are making in completing the CAP. The provider agencies are required to submit the CAP to the unit within 20 business days after receiving the CAP. CAMU will review and approve the submissions for compliance with the recommendations and work to resolve any outstanding issues. Our tracking is provided to PPM for use in the scorecard results of each agency.			
Crossover Youth Practice Model-CYPM-Youth Justice (Detention & Corrections)	Patricia Bassy	212-513-0343	Patricia.Bassy@acs.nyc.gov
Assists and monitors crossover youth involved in both the foster care and juvenile/criminal justice systems. This unit ensures that a child welfare plan is in place for crossover youth in detention, placement or in the custody of the Department of Corrections (DOC), as well as ensuring the young person is being visited and has a transition plan in place for when they leave detention, placement or DOC custody.

Diligent Search Unit	Michelle Acevedo, DSU Supervisor	212-227-5777	Michelle.Acevedo@acs.nyc.gov Diligent search requests should be submitted through the DSU mailbox: acsdsu@acs.nyc.gov Electronic request forms are available from agency liaisons or by contacting the DSU mailbox.
The ACS Diligent Search Unit (DSU) helps locate both respondent and non-respondent parents as well as potential kinship resources for children in foster care. For foster care agencies, the DSU generally assists with diligent searches when agencies are attempting to locate family resources or as part of the TPR (Termination of Parental Rights) process. The DSU checks through a large number of databases, several of which are not available to most ACS/foster care agency staff.			
Domestic Violence Practice, Policy & Support (DVPP)	B. Indira Ramsaroop, Manny Yonko	212-341-8956 212-341-8964	Brahaspa.Ramsaroop@acs.nyc.gov Manny.Yonko@acs.nyc.gov
This unit works to inform ACS services and practice so that families and children affected by domestic violence are identified and receive the services they need. DVPP supports capacity-building and adherence to best practice, and achieves its goals through consultation, technical assistance, training, inter- and intra-agency collaboration and community outreach. The unit develops policy, formulates practice guidelines and protocols, and works collaboratively within ACS and with external partners to identify and address and develop domestic violence policies, formulate practice guidelines and protocols, and inform best practice.

Education Support and Policy Planning, Office of (OESPP)	Kathleen Hoskins	212-453-9918	Education.Unit@acs.nyc.gov
The Office of Education Support and Policy Planning (OESPP) assists and supports administrative and casework staff on all educational matters for children between the ages of birth to 21 who are accessing services through the Administration for Children's Services (ACS). The children can be the subject of an active child protective investigation, receiving preventive services, in foster care, or transitioning out of the juvenile justice system. The office addresses early childhood education to post-secondary education, with an expertise in issues relating to special education, alternative school placements, and college preparation.			
Emergency Education Fund	Phyllis Brodsky	212-341-3318	Phyllis.Brodsky@acs.nyc.gov
The Charles Evans Emergency Education Fund was created by New Yorkers For Children to help students who were formerly involved in the foster care system in New York City, ages 21-25 to assist towards completion of their studies or educational endeavors. The fund provides one-time emergency financial assistance to full or part-time college students who are faced with an unexpected financial emergency. The Education Coordinator works closely with the young people to determine if this is indeed their one-time emergency, or brainstorm other possible avenues, if available. Go to www.newyorkersforchildren.org to access the application.			
Employment and Workforce Development Initiatives	Ray Toomer	212- 341-2687	Raymond.Toomer@acs.nyc.gov
This new Office of Employment and Workforce Development Initiatives (OEWDI) within the Family Permanency Services (FPS) Divisions will dedicate focused attention to expanding access to programs and services that help older youth in foster care prepare for the world of work. The OEWDI will be identifying, cataloguing and disseminating information regarding existing employment and workforce development resources that already exist within the foster care agencies and externally; developing new programs and services through collaborations with our public and private partners; and providing technical assistance and support to our foster care agency partners.

The homemaker provides services to the entire family.			
Housing Academy Collaborative (HAC)	Paul Williams	212-676-6779	Paul.Williams@acs.nyc.gov
Housing Academy Collaborative (HAC) was created in March of 2013 with two goals: to better prepare young adults to maintain long-term possession of NYCHA, and to help them obtain supportive housing when they transition from foster care. In addition, HAC provides one-on-one technical assistance in key areas of education, employment and medical/mental health. HAC collaborates with provider agency staff on youth preparedness services.			
Housing Support and Services (HSS)	Judi Trotter	212-341-3419	Judi.Trotter@acs.nyc.gov
Housing Support and Services is responsible for administering various housing services to families reunifying from foster care placement and families receiving contracted mandated preventive services to prevent their child(ren) from entering into the foster care system. Families reunifying from foster care are eligible to receive a priority housing status when applying for a NYCHA Public Housing apartment through the HSS unit. Reunifying families and families receiving contracted mandated preventive services are eligible for the ACS Housing Subsidy Program. The primary purpose of the ACS Housing Subsidy, which is calculated in part on the client's monthly rent charge, is to provide a time limit, financial supplement up-to \$300.00 monthly towards NYC market rate housing that lasts for a period up to 3 years or \$10,800, whichever comes first. The subsidy program provides for two special grants, each up to \$1800.00. One grant can be used towards rent or mortgage arrears and the other grant can be used towards costs associated with establishing an apartment; for foster care cases only, this special grant can also be utilized to purchase essential furniture.

Independent Review	Antoinette Wyatt Fayette Bennett	212-341-0734 212-341-3239	Antoinette.Wyatt@acs.nyc.gov Fayette.Bennett@acs.nyc.gov
Family Permanency Services-Provider Agency Collaboration and Engagement (FPS-PACE) is responsible for conducting Independent Reviews requested by Foster Parent(s). The New York State Regulations state the primary concern of the Independent Review is to determine if the removal of the child/(ren) was justified. The decision to remove or return a foster child/(ren) should be supported with considerations as to what is in the child/(ren)'s best interest. In some cases, decisions are made to support the agency, despite clear indications that removal was not warranted. In attempting to determine the justification for the removal and what is in the best interest of the child/(ren), the Independent Review Specialist considers many factors, including Safety & Risk Factors that exists.

Office of Child and Family Health (OCFH) <i>*=Part of Department</i>	Ursulina Bencosme, MD (<i>until position filled</i>)	212-676-6814	Ursulina.Bencosme@acs.nyc.gov
* The Office of Child & Family Health (OCFH) delivers direct medical services to children entering foster care, offers individual case consultations and training to ACS staff and foster care agencies on a variety of health-related topics, conducts research and provides clinical expertise in developing health and mental health policies and practices that relate to child welfare and child care, and monitors foster care agencies to ensure their compliance with these policies and practices.			
* Children with Special and Exceptional Needs Unit (CSEN) / Medical Audit Unit	Ursulina Bencosme, MD (<i>until position filled</i>)	212-676-6814	Ursulina.Bencosme@acs.nyc.gov
* The CSEN Unit assists foster care agencies and foster care parents to obtain reimbursement rates for children who have heightened physical and/or mental health needs. It reviews for approval special and exceptional rate requests that agencies submit, taking into account the child's medical, psychiatric, psychological or behavioral condition. Unit headcount: consists of three reviewers one social worker, two nurses (one contract & 1 full time staff), and two Child Welfare Specialist Supervisors.			
* The Medical Audit Unit reviews foster care medical records to ensure compliance with the established health standards for children in foster care. It evaluates the medical operations of the agencies to determine compliance with all federal, state, and city regulations and guidelines. It writes reports based on findings during the review process, assures corrective action plans are implemented within acceptable time frames, and re-evaluates agencies to determine if implemented corrective actions provided the required improvement.			
* Medical Consent Unit	Nonceba Lubanga	212-341-2765	Nonceba.Lubanga@acs.nyc.gov
* The Medical Consent Unit (MCU) works closely with the foster care agencies, DCP, and the ACS Office of General Counsel to ensure children placed under Article 10 receive essential medical treatment when biological parents disagree, or are unable or unwilling to provide consent. It determines whether the proposed treatment is medically appropriate, submits the application package recommendations to Deputy Commissioner of Family Permanency Services, who determine the appropriateness of the final decision on parental override, reviews applications requesting transfer of medically fragile children to skilled nursing facilities. MCU also reviews medical conditions and treatments of all ACS children placed in OPWDD Facilities during the 6 month Service Plan Reviews (SPR) with the ACS case workers, social workers, doctors, nurses, birth parents if available. Training is available for new Pediatric AIDS Unit (PAU) coordinators from foster care agencies.			
* Pediatric AIDS (PAU)	Gennady Rozhavsky	212-676-7685	Gennady.Rozhavsky@acs.nyc.gov
* The PAU offers technical assistance to foster care agencies with issues relating to HIV. It provides consents for HIV testing for Article 10 children, following ACS and state regulations, and tracks test results for the consents that it issues. It works as an intermediary between foster care agencies and the NY State DOH Wadsworth Center in securing Newborn Screening reports for the provider agencies, and tracks medical information all HIV-infected children and perinatally-exposed infants, including test reports, health status, and source of HIV-infection. The PAU delivers formal training and phone consultations to ACS and foster care agency staff on HIV risk assessment, testing and confidentiality. It also participates in the New York City HIV Planning Group (NYC HPG) meetings to assist in the city-wide effort at reducing HIV-infection and to ensure that HIV prevention strategies shared among foster care constituents are appropriate and based upon current best practice guidelines.

The Office of Preventive Technical Assistance Teams address case specific issues and concerns which may be identified by provider agencies. Team members collaborate with the Division of Quality Assurance to assist agencies in improving case practice through consultation and training. The team conducts record reviews when necessary in order to build capacity and/or respond to challenging practice issues faced by preventive providers. Technical Assistance Specialists are also available to participate in Family Team Conferences and support the preventive agencies by providing service linkages, referrals, consultation and plan development.			
Office of Special Investigations (OSI)	Maryann Ponton Frances Carrero	212-442-6737 212-442-7776	Maryann.Ponton@acs.nyc.gov Frances.Carrero@acs.nyc.gov
OSI is an office within NYC ACS Division of Child Protection that conducts investigations of child abuse and mal treatment of children residing in foster care. This includes cases involving teen parents (who are in foster) as well as foster parents' own children. OSI also investigates allegations of child abuse and mal treatment against ACS' employees concerning their own children as well as child abuse and maltreatment involving children in non- residential day care settings.			
Office of Title IV-E Waiver Implementation and Monitoring	Ina Mendez	212-341-0387	Ina.Mendez@acs.nyc.gov
The Office of Title IV-E Waiver Implementation and Monitoring supports regular family foster care providers implement Child Success and Strong Families NYC, a Title IV-E Waiver Demonstration Project. The ChildSuccess NYC and Strong Families programs were created to provide intensive support to children, youth, families; enhance well-being; and expedite permanency. The models consist of four key interventions: Reduction in Caseloads and Supervisory Ratios, the Child and Adolescent Needs and Strengths (CANS-NY), and two evidenced based interventions. Child Success NYC agencies implement KEEP and Parenting Through Change. Strong Families NYC agencies implement Partnering for Success and Attachment and Bio behavioral Catchup. The Office of Title IV-E Waiver Implementation and Monitoring will assist foster care agencies with the implementation of Child Success and Strong Families NYC through the provision of ongoing support, technical assistance, and monitoring of each agency's overall compliance and adherence to intervention guidelines.			
Parent Support & Recruitment (PSR)	Roberto Roman Linda White Trevor John	212-676-7572 212-442-4194 212-341-0410	Roberto.Roman@acs.nyc.gov Linda.White@acs.nyc.gov Trevor.John@acs.nyc.gov
PSR serves as the recruitment registration center of prospective foster and adoptive parents and assists those that call the WISH Recruitment Line in learning about the process in becoming a foster or adoptive family. Working with foster care agency partners, prospective parents attend an orientation session and begin the application and certification process. For those prospective parents that wish to adopt children, additional assistance is provided to them from PSR's WWK Adoption Recruiter. Aside from the WISH Line, PSR also receives inquiries from New York City's 311, AdoptUsKids and Meet Our Kids, and Wednesday's Child and are referred to contracted provider agencies to begin the certification process; those interested in adoption are explained they first must become a certified foster parent before they are able to become an adoptive parent. These inquiries are entered into the WISH database – a historical informational depository maintained by PSR to ease tracking. In addition to recruitment, PSR also provides operational support to the foster care agency partners to develop enhanced recruitment strategies and strengthen the available pool of families already licensed to foster and/or adopt children in need of a family in NYC. PSR coordinates annual events, such as the NFCAM Reception and Seminar, for foster parent support and other technical assistance. The unit also works with multiple community partnerships to strengthen their work around recruiting foster families for children and youth in their communities, as well as providing supportive networks to the foster/adoptive families willing to care for children and youth in a family-based setting. PSR is also responsible in collecting data from the all of the provider agencies recruitment efforts, certification process, annual foster parent re-certifications, and other important information needed by the administration.
