Emergency Food pantry: Tuesdays & Thurs10:00am CAMBA has operated an emergency food pantry in Brooklyn. Our food pantry operates on a client-choice/supermarket-style system, where clients choose individual food items rather than receiving pre-packed bags as they would at traditional pantries. The pantry distributes a three-day supply of nutritional food, which is necessary for many of its clients--- including the elderly and those at or below the poverty level---who are unable to maintain a healthy diet
