¹ Addresses of children in investigations and CARES cases are used for CD counts. If children in the same investigation or CARES case had different addresses, the address of the youngest child with an address is used. ² The rank is based on the number of child protection cases. ³ The number of unique children in an investigation during the year. ⁴ The number of unique children in an indicated investigation during the year. ⁵ The number of unique children in a CARES case during the year.
