CARES* Cases January 2021 – May 2024

*CARES (Collaborative Assessment, Response, Engagement and Support, formerly known as FAR) is an alternative Child Protective response to some reports of child maltreatment. CARES does not require an investigation and determination of allegations and individual culpability for families reported to the SCR. It is an alternative approach to providing protection to children by engaging families in an assessment of child safety and of family needs, in finding solutions to family problems and in identifying informal and formal supports to meet their needs and increase their ability to care for their children.
