

# February 2022 CAPS ONLINE UPDATE

- ✓ **Less Paperwork**
- ✓ **Faster Payments**
- ✓ **Use on Computers, Tablets, Smart Phones**

**The Child Care Attendance Processing System (CAPS Online) is live!** CAPS Online is an online platform for child care providers to record and submit daily “time in and time out” attendance for each child.

**LOG IN TODAY!!!** <https://a069-capsonline.nyc.gov>.

- If you haven't already, register for online training at <https://earlychildhoodny.org/capsonline/>
- Training materials are available in English and Spanish.

In the coming months all providers will be **required** to use CAPS Online to document attendance based on the time each child arrives to care and leaves care each day (“time in time out”). **CAPS IVR** will be **shut down after the June 2022** service month, so **it's important to start using CAPS Online now.**

## **We've listened to your feedback! Upcoming Changes to CAPS Online:**

- Starting March 2022, CAPS Online, along with training videos and user manuals, will be available in Arabic, Haitian Creole, Russian, Simplified Chinese, and Yiddish.
- The “Monthly Preview” screen, where users submit monthly attendance, will be renamed as “Monthly Attendance Submission”
- We've made improvements to CAPS Online to make it easier to use on your mobile phone!

**Reminder: Voucher service providers have 3 months to submit prior attendance in CAPS Online.**

For example, November's attendance must be submitted no later than February 28. December's attendance must be submitted no later than March 31 and so on. **As of March 1, 2022, November 2021 will no longer be available for attendance submission or payment via CAPS Online.**

**Note:** Due to necessary maintenance, CAPS Online attendance submission may be unavailable for a short time on weekday mornings. If you are unable to submit your attendance during this time, please try submitting again after 12 PM. Please note, attendance can still be entered and saved at this time. Only attendance submission for payment will be affected.
