

NYC Office of the Actuary OPEB RFP

Additional Bidder Questions

1. According to RFP Section 3 Valuation Capabilities, the OA currently uses ProVal. Can the OA further elaborate on the need for a potential sublease of ProVal cited elsewhere in the RFP? What frequency would the OA need the sublease, and for what purpose?
Response: The OA currently subleases Proval for its own use from its consultant, Buck. The OA does not contract with WinTech directly. The OA would like to continue to sublease Proval through whatever vendor is selected.

2. What are the hourly rates that OA paid to Buck?
Response: This information will be shared if selected as a finalist.

3. Could you share the job titles of the expected evaluation committee members.
Response: The Chief Actuary, General Counsel, Deputy Chief Actuary, Assistant Deputy Chief Actuary, Director of Administration and Administrative Actuary.

4. Concerning the current FAQ document, we seek clarification regarding the Average Total Hours indicated in the table. Are these hours reflective of annual hours or total hours spanning the Contract Years 2020-2023?
Response: These are average annual hours.
