2024 DOLLAR LIMIT — This is the maximum dollar limit you can contribute to the BERS Tax Deferred Annuity (TDA) Program in 2024. Generally, the maximum contribution amount for 2024 is the lesser of 85% of compensation or \$23,000. Those eligible for catch-up contributions (see TDA Booklet) may contribute as much as \$3,000 in 2024 above the \$23,000 limit and are limited to a lifetime total of \$15,000. Members age 50 or older are eligible to contribute an additional \$7,500 in 2024.

ROTH CONTRIBUTIONS — beginning January 1, 2024, participants in the BERS TDA program can choose to make their contributions on a Pre-tax basis, a Roth basis or a combination of the two. Roth contributions are subject to federal and New York State tax at the time they are made.

Fixed Roth contributions to the BERS TDA earn interest at the same rate as pre-tax fixed TDA contributions, while variable Roth contributions to the BERS TDA are invested in the same unit as pre-tax variable TDA contributions, and receive the same variable interest rate. Roth refunds from the BERS TDA must follow the hierarchy below: (a) pre-tax fixed, then (b) Roth fixed, then (c) pre-tax variable, then (d) Roth variable. Roth contributions are not subject to Required Minimum Distributions (RMD) while the original account holder is still living. When Roth funds are paid out, Roth contributions are not subject to federal or New York State tax. If the refund is issued 5 or more years after the first Roth contribution, then Roth earnings are not subject to federal and New York State tax, either.

AGE 50 CATCH-UP CONTRIBUTIONS — Members age 50 or older are able to contribute an additional \$7,500 to the BERS TDA.

SERVICE-BASED CATCH-UP CONTRIBUTIONS — Members of BERS who have been employed by the Department of Education for at least 15 years, and whose combined TDA and 401(k) contributions during their employment average less than \$5,000 annually, may be eligible for service-based catch-up contributions. Service-based catch-up contributions can be as much as \$3,000 each year (above the \$23,000 limit), and are limited to a lifetime total of \$15,000. If you are eligible for service-based catch-up contributions, these will be divided between Pre-tax and Roth in the same way as your base contributions.

CONTRIBUTION RATE — Enter the whole number percentage of your salary that you would like to contribute to the TDA Program. This rate will be applied to your salary, after pension deductions and before taxes are taken, to determine your contribution amount. Use the worksheet Determining Your Contribution Percentage included in the TDA Booklet to assist you in estimating your contribution rate.

You may contribute between 1% and 85% of your salary, limited by your 2024 dollar limit.

Please submit your 2024 TDA Enrollment form by fax to **(718) 935-4124** or **(718) 935-3830**.

Please sign the bottom of the TDA Enrollment Form and return it to BERS. If your form is not completed correctly, it will be returned to you and no action will be taken on your account.
