NOTICE: NYC Air Quality

Dear licensees and registrants:

BIC is sharing the following information from the Mayor's Office of Community Affairs:

We want to reiterate what was said by the Mayor yesterday morning: **New Yorkers should stay inside, close windows and doors, and use air purifiers if you have them. If you are an older adult or have heart or breathing problems and need to be outside, wear a high-quality mask such as a KN95.**

Check the air quality forecast from local media outlets, the National Weather Service, or other weather and air-quality apps that you can access on the go. Our city is strong and resilient. We have faced crises before, and we will get through this together. Stay indoors, stay safe and mask up if you are outside.

For more information and updates, visit <https://on.nyc.gov/2Ho9W4J> or contact 3-1-1 (212-639-9675 for Video Relay Service, or TTY 212-504-4115).

Beginning Thursday, June 8th, at 8:00 am, each New Yorker will be able to receive two masks from the locations below.
