

Now Accepting Voucher Requests under the New York City Alternative Fuel Vehicle - Voucher Incentive Fund

Over \$4.4 Million Available for All-Electric, Hybrid, and CNG Vehicles and Diesel Emission Control Technologies
NYCAFV-VIF Vouchers must be redeemed by December 31, 2018

The New York Truck – Voucher Incentive Program (NYT-VIP) is pleased to announce that over **\$4.4 million in voucher incentives are now available** under the **New York City Alternative Fuel Vehicle – Voucher Incentive Fund (NYCAFV-VIF)**. Important program modifications have been made to NYCAFV-VIF to increase vehicle incentives and expand vehicle eligibility to include Class 2 all-electric vehicles and conversions and Class 3 – 8 hybrid conversions/retrofits. Private and non-profit fleet vehicle purchasers that operate and are located in the five boroughs of New York City (Manhattan, Brooklyn, Queens, Bronx, and Staten Island) can now work with an approved vendor to submit voucher requests for clean, efficient and advanced vehicle technologies.

All NYCAFV-VIF voucher requests must be redeemed (fully reimbursed) by December 31, 2018.

NYCAFV-VIF Funding Matrix

The Funding Matrix below presents the incentive cap by vehicle type:

- \$40,000 Cap for Class 3-8 Hybrid Trucks and Buses
- \$50,000 Cap for Class 3-8 Compressed Natural Gas Trucks and Buses
- \$60,000 Cap for Class 2-8 All-Electric Trucks and Buses
- 80% Cost of Technology & Installation Costs for Diesel Emission Reduction Technologies

Voucher requests are first-come-first-served and must be submitted by an approved vendor.
