Subject: Solitary Confinement
Date: Tuesday, April 13, 2021 3:27:54 PM

I am writing to urge the Board to revise its rules to actually end solitary confinement in all its forms. Your proposed rules will simply create solitary by another name, and keep people locked up alone 24 hours a day, indefinitely, without meaningful human engagement or programming with other people. This is solitary confinement. This is torture. Treat people as human beings, and actually end solitary confinement as you and the Mayor promised. Thank you for your attention.
