<sup>6</sup> Select in-person programs are provided in a safe manner consistent with social distancing guidelines. Social distancing measures include maintaining six feet of distance between individuals, and ensuring participants and teaching staff wear appropriate personal protective equipment. A maximum of four (4) or six (6) participants, depending on the classroom size and type, are allowed in any of the courses.

<sup>7</sup> The total # of participants is not the total # of unique individuals, but represents the total # of participations in each component.

<sup>8</sup> These in-person programs are afforded in the housing areas in a safe manner consistent with social distancing guidelines and staff wear appropriate personal protective. Please note that maximum capacity for these courses vary based on the type of housing area and the needs of the young adults.

c. *Overview of commingled programming:*

- I. **Internal:** DOC-led programming. As a result of COVID-19, the Department revised programming services to include the provision of self-guided packages, which has content such as activity packets, interactional journaling, and evidenced-based curriculum worksheets, in addition to in-person programming. Program Counselors conduct follow-up sessions to respond to questions and ensure the completion of the self-guided packets. Social service slips are made available as an additional service offered.
  
- II. **External:** DOC partners with seven nonprofit organizations to support incarcerated individuals pre and post release. As a result of COVID-19, the Department worked with providers to implement social distancing programming and have collaborated to development and distribute curriculum and activity packages, ensure that individuals are offered assistance with discharge planning, and provide post-release support to individuals. The distribution of external self-guided materials was modified to be afforded to individuals upon request rather than a general distribution. The Department coordinated with partners to arrange discharge planning hotlines that allow persons in custody to connect to essential services.
