Young Adult ESH Compliance Audit – January 2020

Pursuant to the six (6) month limited variance granted by the NYC Board of Correction on August 18, 2019 allowing for the continued use of Enhanced Supervision Housing (ESH) for young adults (18 to 21 years old), the related variance conditions require a monthly audit on compliance with the following provisions of the Board's Minimum Standards:

- § 1-05(b) (Lock-in), specifically, the number of out-of-cell hours per young adult;
- § 1-08(f) (Access to Courts and Legal Services, including Law Library);
- § 1-06 (Recreation), specifically, the amount of time that outdoor recreation was afforded to each young adult;
- § 1-02(c)(2) (Classification), specifically, the number of programming hours offered to each young adult and the number of hours each young adult participated in programming; and
- Education services, specifically the number of young adults brought to school and, for each young adult, the time each young adult was brought to school and the time each young adult was taken out of school.

Audit Parameters

The audit is conducted through a manual review of housing area logbooks and programming attendance data on four (4) randomly selected dates from each month. The scope of the audit encompasses only those housing units within ESH in which young adults are housed within the audit period. During this audit period, young adults were housed in five (5) ESH housing areas.

This audit report covers the following four (4) dates in the month of January 2020:

- January 3
- January 7
- January 15
- January 21

In addition, on-site inspections of the ESH unit kiosks and typewriters were conducted on four (4) randomly selected dates:

- January 3
- January 9
- January 17
- January 30

§1-05(b) Lock-in

A manual review of housing area logbooks was performed to determine whether seven (7) or fourteen (14) hours of out-of-cell time was afforded to the young adults based on their housing level. This audit report also provides individualized data related to each young adult's out-of-cell time during the reporting period.

§1-08(f) Access to Courts and Legal Services, including Law Library

A manual review of housing area logbooks was conducted to determine whether Law Library services were afforded. In addition to the logbook review, on-site inspections were conducted to

determine if the kiosks and typewriters located within the various young adult ESH housing areas were operational.

§1-06 – Recreation

A manual review of housing area logbooks was conducted to determine whether one (1) hour of outdoor recreation was afforded.

§ 1-02(c)(2) (Classification), Provision of Programming

A manual review of programming attendance data was conducted to determine the number of programming hours offered to each young adult and the number of hours each young adult participated in programming.

Education

A manual review of education attendance data was conducted to determine the number of young adults brought to school and, for each young adult, the time each young adult was brought to school and the time each young adult was taken out of school.

Audit Findings

§1-05(b) Lock-in

All young adults in ESH are afforded lock-out based on their housing level: seven (7) hours for Level I and Level II and fourteen (14) hours for Level III. On all four (4) dates audited, institutional lock-out and lock-in were consistently recorded in the Lock-In/Out Logbook for each of the levels.

All young adults in ESH are housed in single occupancy cells within their respective housing area. Each ESH housing area consists of multiple single occupancy cells located on two (2) tiers – the lower tier and the upper tier. Young adults in Level I and Level II are afforded seven (7) hours of lock-out time each day. For each young adult in these two levels, the specific time that he locks out depends on his tier's lock-out schedule. For example, one (1) day the lower tier locks out in the am and the upper tier locks out in the pm. The following day the upper tier locks out in the am and the lower tier locks out in the pm. Regardless of the lock-out schedule for ESH young adults in Levels I and II, they are all afforded seven (7) hours of lock-out time on any given day. Young adults in Level III, who are afforded fourteen (14) hours of lock-out time, are not subject to a tier lock-out schedule. Young adults in Level III are all afforded lock-out during both the am and pm hours, regardless of the tier in which they are housed. On any given day, a young adult may be out to court or transferred in or out of the ESH Unit. These young adults may not be included in the out-of-cell time reporting.

Level I

Young adults in Level I are afforded seven (7) hours of out-of-cell time each day. Listed below is individualized data related to each young adult's total out-of-cell time in Level I, based on a manual review of the Lock-In/Out Logbook, for the dates audited. The out-of-cell time is the hours each day that a young adult chooses to be out of his cell during institutional lock-out

§1-08(f) Access to Courts and Legal Services, including Law Library

Law Library Coordinator

In ESH, there are four (4) Law Library Coordinators assigned to areas in which young adults were housed.¹ A manual review of the Law Library Logbooks indicated that the Law Library Coordinators were in these areas to provide assistance on all the four (4) days audited – January 3, 7, 15 and 21, 2020.² However, in the case of January 7, 2020, due to a Law Library Coordinator's unexpected absence, three (3) housing areas, labeled C, D and E were not provided Law Library services in the morning session, although these housing areas were provided Law Library services in the afternoon session.

The audit reviewed the available records and determined that the duration of each Law Library Coordinator's time, in ESH areas during the dates audited, was in compliance with the provisions of the Minimum Standards i.e., a minimum of two (2) hours. On some of the audit dates, some young adults did not request Law Library assistance.

¹ To facilitate the provision of Law Library services, within their assigned areas, Law Library Coordinators provide services to all individuals regardless of whether it is during the individual's lock-out period.

² This is evidenced by the Law Library Coordinators signing in and out of the Law Library Logbook on each of the audit dates.

§ 1-02(c)(2) (Classification), Provision of Programming

Young adults in ESH are placed in housing units exclusively with other young adults (18 to 21 years old). Young adults who are 19 to 21 years old can also be co-mingled in units with adults (22 years old and older). Programming is provided to all young adults. In the young adult exclusive housing areas within ESH, tablets are utilized in the provision of programming and offered to young adults regardless of whether it is during the individual's lock-out period. When young adults receive their tablets, they also have the opportunity to request an additional component of programming during that time. Programs Division is engaging with the vendor to address the tablet security issue and anticipates resolution in the coming months. In addition, in the young adult exclusive housing areas, on days when support programming staff are present, young adults may request individualized counseling while other programming components are being held. In the co-mingled housing areas, the provision of programming is provided to each tier separately through two programming sessions. The hours of programming afforded may vary by tier within a housing area.

New York City Department of Correction

Young Adult ESH Compliance Audit – January 2020

The audit reviewed programming attendance data on each of the four (4) dates audited to ascertain the number of programming hours offered to each young adult and the number of hours each young adult participated in programming. Program participation hours are based on the number of hours each young adult chooses to participate in programming. The data reflects the young adults present in the housing area during programming on each audit date.

Please note that on any given day, a young adult may be out to court or transferred in or out of the ESH Unit. These young adults may not be included in the programming reporting. It is important to note that young adults returning from court during programming hours are offered the opportunity to participate in programming upon their return.
