

The Department is notifying the Board of an emergency situation and declaration of an emergency variance pursuant to §1-15(b)(3) of the Minimum Standards. An emergency situation prevents the Department's continued compliance with §1-03(c,d,j) Shaving, Haircuts, Personal Health Care Items, Clothing, Housing Areas; §1-04(b)(2-3) Single Occupancy; §1-05(a-c) Lock-In; §1-06 Recreation; 1-07(c,h) Congregate Religious Services; §1-08(b-d) Judicial and Administrative Proceedings, Access to Counsel, Access to Co-Defendants; §1-08(f)(4) Law Library Access; §1-08(g)(2-4) Legal Documents and Supplies Access; §1-09(c-d,f) Visiting Schedule, Initial Visit, Contact Visits; §1-11(c-d) Outgoing Correspondence; §1-12(d) Packages; §1-13(a-c) Publications; and §1-14 (a-b) Access to Media, as they pertain to an individual in custody suspected of concealing a weapon and the placement of that individual in separation status housing.

On August 20th, 2019, the Department had reason to believe that two individuals in custody were in possession of dangerous contraband due to their involvement in a serious incident. Following the incident, one individual refused a body scan search and was subsequently processed and placed in separation status on August 20th, 2019 pending recovery of the suspected contraband. The second individual received a positive body scan finding and was subsequently processed and placed in separation status on August 20th, 2019 pending recovery of the dangerous contraband.

Maintaining the safety and security of individuals in custody and staff is a critical function and responsibility of the Department. The existence of suspected weapons and other dangerous contraband in Department facilities poses a significant threat to the safety of the population in custody and staff. The nature of this emergency situation prevents the Department's continued compliance with the Minimum Standards enumerated above. The Department appreciates the Board's consideration of this matter.
