PROJECT#: BBJ-KFAC

BOROUGH: BROOKLYN

ADVISORY ISSUED: (1/2/25)

## Boerum Pl. Pile Drilling

Planned to start on 1/6/25.

In continuation with the construction of the new Brooklyn Borough-Based Jail Facility, support pile drilling for the construction of the Boerum Pl. site crane will take place. Work will commence along Boerum Pl., inside the perimeter fencing and is projected to last for at least one month. As a safety precaution, the pedestrian walkway on the east side of Boerum Pl. will be closed from 7:00 am to 5:00 pm for the duration of this work and additional screening will be used to deflect any debris. Flaggers will direct pedestrians across the street for their safety. Minimal noise, vibrations, and dust are expected during working hours. Water will be used for dust mitigation purposes.
