

COMMUNITY ADVISORY

PROJECT NAME: NYC BBJ Manhattan Facility

PROJECT#: BBJ-MN-FAC

BOROUGH: MANHATTAN

ADVISORY ISSUED: (7/15/26)

Temporary Traffic Restrictions for Site Fence Modification

**Baxter Street between Walker Street and Bayard Street &
Centre Street between Walker Street and Franklin Street
Saturday, 7/18/26 & Saturday, 7/25/26, 9:00 am – 5:00 pm**

To enhance safety, fence modification will be conducted for the Manhattan Borough-Based Jail Facility. The modification will entail pushing the site entrance by the Chung Pak Building farther south on Baxter Street and replacing the Yodocks with concrete barriers to fortify the stability of the site fences along Baxter Street and Centre Street.

To conduct the work safely, minimizing access conflicts among concurrent activities in a constrained work area, the modification will be scheduled on Saturday, 7/18/26 and Saturday, 7/25/26, between 9:00 am and 5:00 pm. Work will be in accordance with the NYC Department of Transportation Maintenance and Protection of Traffic (MPT) Plan.

Temporary traffic restrictions will occur during work hours along Baxter Street between Walker Street and Bayard Street, as well as Centre Street between Walker Street and Franklin Street. Flaggers will be on site to redirect pedestrians and drivers safely around the immediate work areas as needed. Full road access will be restored after work hours.

Noise, dust, and vibration impacts are anticipated. Please see the graphic below for location details:
