

COMMUNITY ADVISORY

PROJECT NAME: NYC BBJ Bronx Facility

PROJECT#: BBJ-XFAC

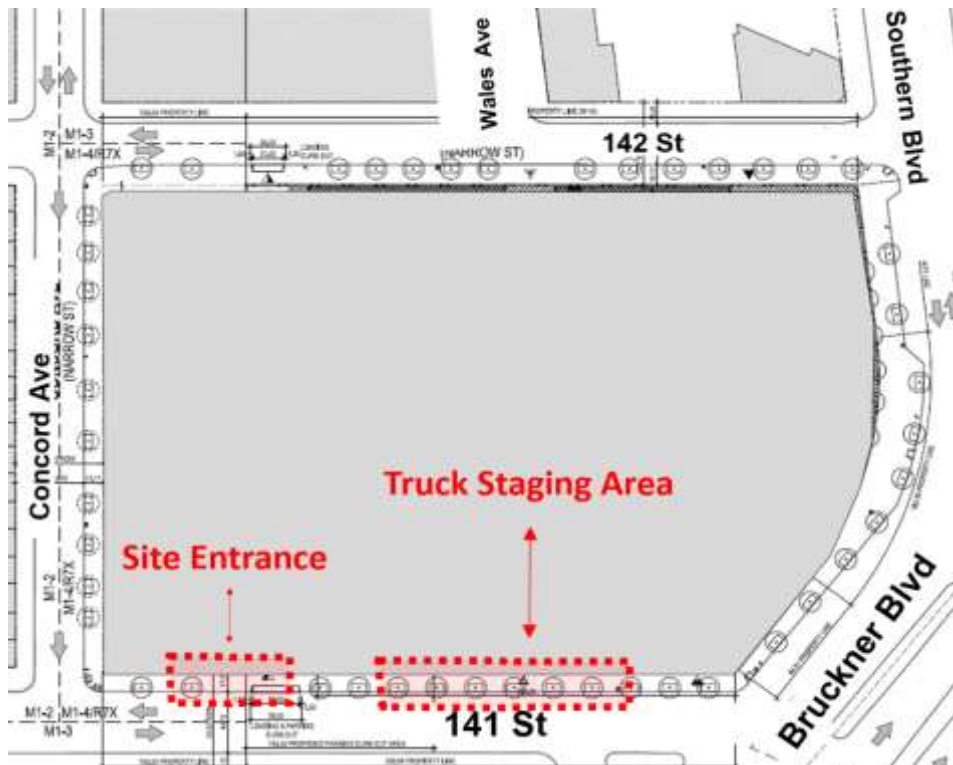

BOROUGH: THE BRONX

ADVISORY ISSUED: 12/30/25

Heavy Machine Delivery & Truck Staging

Planned for 12/31/25 & 1/2/25

As construction of the new Bronx Facility begins, heavy machinery will be delivered to the site through the 141st Street entrance. Delivery trucks will stage near the 141st Street and Wales Avenue gate entrances. Truck staging means trucks wait in a designated area until they are directed to enter the site. Noise is anticipated, and flaggers will be on site to direct pedestrians and vehicles as needed. DOT bridge crossing stipulations require late-night/early-morning removals. As such, this work will occur between 4:00 AM to 7:00 AM.

If you have any questions, concerns, or would like to learn more about this DDC Project, please call the Community Construction Liaison:
