RE: Letter of Support for Power In A Shower Inc.

To Whom It May Concern,

On behalf of Bronx Community Board #1, at its regularly scheduled General Board Meeting held on February 27, 2025, voted to offer full support of **Power In A Shower**, an organization dedicated to providing essential hygiene services and dignity to individuals experiencing homelessness. Their work aligns with our community's mission to uplift and support our most vulnerable residents, ensuring they have access to fundamental resources that improve their quality of life.

Power In A Shower's mobile shower services not only addresses hygiene needs but also foster a sense of dignity and self-worth among those they serve. Their initiative goes beyond providing showers-it creates opportunities for engagement, connecting individuals to social services, employment resources and pathways to stability. This holistic approach to community care is vital for fostering resilience and empowerment in the Bronx.

Bronx Community Board #1 recognizes the significant impact of Power In A Shower and wholeheartedly supports their efforts to expand their services. Their presence in our district will provide invaluable support to those in need, reinforcing the values of compassion, community and opportunity. We look forward to collaborating with Power In A Shower and supporting their growth and success.

If further support or information is needed, please feel free to contact the Boards office.

Best,

Anthony R. Jordan
