Action Items

- Confirm whether Puerto Rican Legal Defense Fund, New York Immigration Coalition, Bronx Defenders, Legal Aid, or other legal providers can supply attorneys for the June 18 virtual Know Your Rights event and report back to the committee (confirmations expected by tomorrow if possible).
- Finalize and produce an approved event flyer (include confirmed partners such as Moya and Mexican Coalition; update as additional partners confirm) and prepare it to go live for outreach by the target Wednesday review date.
- Create the event Zoom registration link (with language options captured in registration if possible), generate a short/renamed URL and QR code for outreach, and share the registration link and QR code with the committee.
- Follow up with Moya to confirm translation capabilities (Spanish, French, West African languages) and advise whether registration will deter participation; report status to the committee by Friday.
- Reach out to the local Imam and Ambrose tomorrow to ask about language needs and request their assistance in broadcasting the virtual event to mosque and African community members.
- Provide the committee with the alternate flyer version and the draft flyer files for review (so committee can approve and begin outreach).
- Arrange and send the Zoom link and materials for a committee pre-event virtual check-in on June 17 to ensure partners and presenters have access and are prepared.
- Prepare a draft run-of-show form (outline: brief partner/elected remarks, Moya presentation, attorney breakout rooms, partner service briefings at the end) to be completed by the next meeting for Moya's review.

- Assist with physical distribution of printed flyers in the district (placing flyers in buildings and tenant networks) once the flyer is finalized; coordinate distribution next Wednesday.
- Reach out to community partners and co-sponsors (Hands Off New York Bronx chapter, South Bronx Unite, Mexican Coalition contacts, Nos Quedamos, NYCC Bronx / New York Community, Catholic Charities point person Paola, Ambrose, the local Imam) to notify them of the event and request outreach support; provide copy of flyer when available.
- Text/contact Brittany at Bronx Defenders and Legal Aid to request participation or attorney support for the event and confirm availability.
- Ask the legal team and outreach contacts to include worker/employee protections (rights at work regardless of immigration status) as part of the event content or provide a short supplementary presentation on that topic.
