

The VIP Program is a FREE program, funded by the New York City Department for the Aging (DFTA) and the New York State Office of Victim Services (OVS) aimed to support vulnerable and innocent older adults who have been victimized.

All services are **CONFIDENTIAL** and are provided by our staff of professional social workers with years of experience working with the aging population.

Bilingual staff are available upon request.

Neighborhood SHOPP does not discriminate on the basis of race, color, religion, national origin, sex, age, disability or any other status in the delivery of services or employment practices.
