The NYC Economic Development Corporation presented the plan to extend ferry service to Ferry Point Park in 2021. A copy of the presentation is available in the Board Office. Key points in the presentation are:

- Vessel will accommodate 150-300 passengers
- Fare will be \$2.75; no metro card, tickets to be downloaded or purchased at landing
- Vessel will operate 7 days a week, from 5:15 a.m – 10:30 p.m., approx. every 30 minutes
- Approximately 100 free parking spaces with a 10 minute walk to landing
- Stops to include Ferry Point Park, Soundview, E. 90th St., E. 34th St., Wall Street

Suggestions were made to bicycle racks on the vessel as well as make plans for a Harbor Patrol as well as adding a Hart Island stop during non peak hours.
