The Committee then discussed old business items. District Manager Cruz said that at the next Municipal Services meeting the Committee will be joined by the property owners of 2505 Bruckner Boulevard. M. Caruso is seeking a phone call and/or meeting with Borough Commissioner Lopez on the impending Con Edison gas line project that will occur at the City property in question of having illegal commercial trucks. Members of the Committee discussed the e-scooter pilot program and its shortcomings. A meeting with NYCDOT may be necessary to discuss the pilot. K. Daloia thanked the Committee for considering suggestions to the e-scooter pilot program.

D. Kupferberg, as part of new business, submitted documentation to the Committee. D. Kupferberg had concerns about the Bronx Bus Redesign plan and there are ways to increase bus service in our community that the Plan does not consider. D. Kupferberg submitted documentation via e-mail which are available for viewing in the Board Office.

The meeting closed at roughly 8 P.M. by a vote of adjournment that was unanimously approved by all.
