The committee met at 6:30 in order to distribute the Yankee Scholarships to the following:

Mohammed Bashar from Co-op City
Jennifer-Lynn Colon from Schuylerville
Olivia Diaz from Throggs Neck
Joel Gradanski from the 45th Pct. Explorers
Beatrice Mettle from Co-op City

The winners each received 5 tickets to the Yankee game on Community Board 10 day where Dr. Alvin Ponder will represent the board.

The regular business of the committee proceeded at 7:30.

A discussion of the meeting that took place at the Throggs Neck Merchants where Alexander Betancourt of DYCD and Steve Colavito of NYC DOE gave a presentation on their internship programs. I informed the committee that Cabo Restaurant has applied for an intern. The same agencies will also be presenting to the Pelham Bay Merchants on May 23rd.

The Soccer fields was also followed up with our district manager reaching put to the principal of the Lewis and Clark School on Benson Street to see if we can get a second field built in our board. Lauren Council was informed that she was voted in as vice chair of the committee last month in her absence and she graciously accepted the position.

The committee agreed that they would rather meet at 7:00 pm instead of 7:30. With all but two members in attendance it was agreed that we will start this with the September meeting.

As our scheduled speaker did not show up we adjourned at 8:00 pm.

Respectfully submitted,
Bob Bieder, chair
