Presentation by Parks for the Owen Dolen project.

\$2.39 million for 3700 sq. ft. Renovation has been allocated by BP Diaz and CC Gjonaj.

We need a letter of support for the project. A vote was taken and it was voted unanimously for support. We will forward to full board for the support letter.

**“Resolved...**at the recommendation of the Parks and Recreation Committee of Bronx Community Board #10, that a letter of support for the NYC Department of Parks and Recreation project for the renovation of the Owen Dolen Recreation Center Building at 2551 Westchester Avenue, Bronx, NY 10461 be forwarded to the full Board for approval.”

Concerns were brought up over staging area on existing roof and will those leaks effect the renovation work. Parks will get back to us on that.

Daniel Reynolds from Parks is looking in to structural issues on stairs and resurfacing playground at Bufano Park. Also checking on roller hockey rink status.

Meeting adjourned at 8:30 p.m.
