

# REGISTER OF COMMUNITY BOARD BUDGET REQUESTS

For the Preliminary Budget Fiscal Year 2026

## Bronx 11

The City of New York  
Eric Adams, Mayor

## **FY 2026 Preliminary Budget Register of Community Board Budget Priorities**

**The Register of Community Board Budget Requests for the Preliminary Budget** reports the FY Preliminary budget status of each of the projects and programs requested by the City's 59 community boards.

The FY 2026 Register is the charter mandated product of a dynamic and cyclical budget process for the 59 community boards. The community boards consult with agencies on the capital and expense needs of the district. After consulting, each community board develops and votes separate priorities for up to 40 capital and 25 expense budget requests which the agencies review and respond to in the **Register of Community Board Requests for the Preliminary Budget** in January.

The Mayor's Office of Management and Budget (OMB) reviews these same budget requests and updates the responses for the Executive Budget, publishing them in the **Register of Community Board Requests for the Executive Budget** in April.

In May, the City Council holds public hearings on the Executive Budget. At these hearings, community boards, community groups and interested citizens may comment on the budget decisions contained in the Register.

In June, OMB publishes the **Register of Community Board Budget Requests for the Adopted Budget** which informs the boards of the final disposition of their original budget priorities. The Adopted Register contains responses that reflect the changes made to the Executive Budget by the City Council.

Capital project requests from community boards are site specific, and primarily for infrastructure or public facility improvements.

For more specific information about programs important to the community boards, refer to each agency's section in the Message of the Mayor for the Adopted Capital and Expense Budgets.

Call 212-788-6129 for more information about the community board process including consultations, and the geographic versions of budget documents.

## FORMAT OF THE REGISTER

The Register of Community Board Budget Requests is sorted into four versions: Community Board, Borough, Council and Agency. In all versions of the Register, each board's expense requests directly follow their capital requests. The requests are in board order.

### LAYOUT OF BUDGET REQUESTS PAGES

#### Column 1: Priority Number

The priority assigned by a community board reflects the importance of that request as compared to its other requests. Boards may assign Continued Support (CS) to a project which received funding for construction in any year of the current Financial Plan.

#### Column 2: Tracking Code

The nine-digit identification number assigned to each community board budget request. Tracking codes are unique to each request and identify the borough, community district, year submitted, and request. The first digit refers to the borough, 1 = the Bronx, 2 = Brooklyn, 3 = Manhattan, 4 = Queens, and 5 = Staten Island; the second and third digits indicate the district number. The fourth through seventh digits represent the fiscal year for which the request was submitted, and the last two digits are the request number. The tenth character indicates whether it is a capital ("C") or expense ("E") budget request.

#### Column 3: Project Information

**Request:** A brief description of the project.

**Explanation:** Supporting information detailing the project, and its potential benefits.

**Responsible Agency:** The City agency which would implement the project.

**Budget Line Number:** The number assigned to a capital project that was previously funded or is included in any year of the current Financial Plan.

**PROJECT ID:** The Capital Project Information System identification number which allows projects to be entered into the City's computer tracking system. The number of the managing agency and the project identification number make up the PROJECT ID of the project.

**Source of Request:** Any group(s) which support the request.

#### Column 4: Response

The Preliminary Budget recommendation for each budget request.

03	111202603C	<p><b>Request:</b> Repair or construct sidewalks, curbs, or pedestrian ramps</p> <p><b>Explanation:</b> The sidewalk along Pelham Parkway between Boston Road and Southern Blvd (technically not in any community board) is badly degraded, has few curb cuts, has vegetation blocking sight for pedestrian crossings, and lacks connection to the rest of the sidewalk network. We need proper crosswalks and raised pedestrian crossings or curb cuts at the offramps from Bronx River Parkway and for the sidewalk to connect to the Bronx River Greenway instead of end in dirt.</p> <p><b>Responsible Agency:</b> Department of Transportation</p> <p><b>Supported by:</b> Ryan Barthel, BxCB11 member Bronx Park East Community Association</p> <p><b>Location Cross Street 1:</b> Boston Rd <b>Cross Street 2:</b> Southern Blvd</p>	<p>Agency does not support and cannot accommodate; remove request</p> <p><b>Explanation:</b> Please contact the agency directly and promptly for more information.</p>
04	111202604C	<p><b>Request:</b> Other capital budget request for DYCD</p> <p><b>Explanation:</b> Possibly under School Construction Authority. Children in this neighborhood need opportunities to learn to swim, which has historically been denied to minority groups. BxCB11 has very few options for children to learn to swim, and adding swim facilities to our school buildings (such as PS 097 and/or PS 121) would provide much more reliable options for neighborhood children to build this skill and have opportunities for recreation.</p> <p><b>Responsible Agency:</b> Department of Education</p> <p><b>Supported by:</b> Naomi Pemberton, BxCB11 member Ryan Barthel, BxCB11 member</p>	<p>Agency does not support and cannot accommodate; remove request</p> <p><b>Explanation:</b> Please contact the agency directly and promptly for more information.</p>

05	111202605C	<p><b>Request:</b> Improve traffic and pedestrian safety, including traffic calming</p> <p><b>Explanation:</b> Some of our most vulnerable road users are school children crossing streets near their school, yet we continue to allow cars to park up to and often in those crosswalks. To keep our kids safe, facilitate the citywide push for increased daylighting, and help bring NYC into compliance with state law, intersections around our neighborhood schools should be prioritized for daylighting.</p> <p><b>Responsible Agency:</b> Department of Transportation</p> <p><b>Supported by:</b> Ryan Barthel, BxCB11 member</p>	<p>Agency does not support and cannot accommodate; remove request</p> <p><b>Explanation:</b> Please contact the agency directly and promptly for more information.</p>
06	111202606C	<p><b>Request:</b> Other capital budget request for DYCD</p> <p><b>Explanation:</b> There is a need for a mental health center/somewhere for youth to seek mental health care in the district. A specialized center would be best, but could also be located in schools.</p> <p><b>Responsible Agency:</b> Department of Health and Mental Hygiene</p> <p><b>Supported by:</b> Naomi Pemberton, BxCB11 member</p>	<p>Agency supports but cannot accommodate; resubmit request</p> <p><b>Explanation:</b> This appears to be a direct request to DYCD but DOHMH in working with DOE have established school-based mental health centers at DOE locations. Teens can access NYC Well along with Teenspace for mental health services tailored to their age group</p>
07	111202607C	<p><b>Request:</b> Reconstruct or upgrade a park or amenity (i.e. playground, outdoor athletic field)</p> <p><b>Explanation:</b> The playground and basketball court at Loreto Park are badly degraded and in need of upgrades to play equipment and resurfacing of the basketball court. There are multiple cracks in the basketball court, missing planks in playground bridges, and overall worn out equipment. This is a vital resource in the heart of our community and deserves to be in usable shape.</p> <p><b>Responsible Agency:</b> Department of Parks and Recreation</p> <p><b>Supported by:</b> Morris Park BID</p> <p><b>Location Site Name:</b> LORETO PG, Bronx, NY, USA  <b>Address:</b> 1721 HAIGHT AVENUE, Bronx, NY, USA</p>	<p>Agency supports and can accommodate; remove request</p> <p><b>Explanation:</b> Agency supports this request. 08	111202608C	<p><b>Request:</b> Upgrade or create new greenways</p> <p><b>Explanation:</b> Greenways (ours include the Bronx River Greenway, Hutchinson River Greenway, and Pelham Parkway Greenway) are touted as places for people who are not in cars to get around, yet most of them are not purposefully lit at all - any light they get is ancillary to what is intended for a road used by cars. This means that greenways, which frequently have tree roots, potholes, sand patches, and other hazards, become substantially more dangerous as the sun goes down, which happens quite early for much of the year. This leaves people without cars with a dilemma: risk a car not seeing or not yielding to us and getting hit on the road or risk a crash and the ensuing injuries on the Greenways. Our greenways need proper lighting and far better care, both in maintaining smooth surface and clearing debris regularly, especially after mowing.</p> <p><b>Responsible Agency:</b> Department of Transportation</p> <p><b>Supported by:</b> Ryan Barthel, BxCB11 member</p>	<p>Agency does not support and cannot accommodate; remove request</p> <p><b>Explanation:</b> Please contact the agency directly and promptly for more information.</p>
09	111202609C	<p><b>Request:</b> Other capital budget request for DEP</p> <p><b>Explanation:</b> Our district, like many across the city, has seen a rash of street racing, loud cars and motorcycles, and other loud vehicle use. Our many wide streets encourage fast driving and donuts in intersections, and reporting violations to 311 or calling police is futile; these are, by definition, transient crimes - they are committed while moving. We need automated enforcement to preserve our quiet enjoyment of our neighborhood, and DEP noise cameras would be an excellent tool to advance that goal.</p> <p><b>Responsible Agency:</b> Department of Environmental Protection</p> <p><b>Supported by:</b> Ryan Barthel, BxCB11 member</p>	<p>Agency does not support and cannot accommodate; remove request</p> <p><b>Explanation:</b> Please contact the agency directly and promptly for more information.</p>

10	111202610C	<p><b>Request:</b> Improve access to a park or amenity (i.e. playground, outdoor athletic field)</p> <p><b>Explanation:</b> The Allerton Turf Field in Bronx Park is heavily used in the afternoon and evening hours, particularly on weekdays after school/work by both children and adults. From mid-September through mid-March, at least 6 months of the year, it is dark before 7 PM (and as early as 4:30 PM in December) which means that the field cannot be safely used at that time. Adding lighting to this facility would greatly enhance its usability throughout the year. This facility is essential for recreation and the health of the neighborhood.</p> <p><b>Responsible Agency:</b> Department of Parks and Recreation</p> <p><b>Supported by:</b> Bronx Park East Community Association</p> <p><b>Location Site Name:</b> BRONX PARK, Bronx, NY, USA  <b>Address:</b> 2850 BRONX PARK EAST, Bronx, NY, USA</p>	<p>Agency does not support and cannot accommodate; remove request</p> <p><b>Explanation:</b> Please contact the agency directly and promptly for more information.</p>
11	111202611C	<p><b>Request:</b> Repair or provide new street lights</p> <p><b>Explanation:</b> Current lighting is all street-level lighting, which does not effectively illuminate pedestrian areas or adjacent park facilities. Adding lower pedestrian level lighting will enhance safety along the corridor, in the Municipal Parking lot at Bronxdale and Bronx Park East, and allow residents to use areas just inside the park (such as the exercise area between Britton and Arnou Avenues) in fall and winter, when it is dark before 5 PM.</p> <p><b>Responsible Agency:</b> Department of Transportation</p> <p><b>Supported by:</b> Bronx Park East Community Association</p> <p><b>Location Cross Street 1:</b> Unionport Rd <b>Cross Street 2:</b> Adeo Ave</p>	<p>Agency does not support and cannot accommodate; remove request</p> <p><b>Explanation:</b> Please contact the agency directly and promptly for more information.</p>

12	111202612C	<p><b>Request:</b> Repair or provide new street lights</p> <p><b>Explanation:</b> Lighting along Pelham Parkway lights both the roadway and the adjacent greenway, but uses the same lights for each application (while they are not exactly highway Cobra lights, they are similar). As a result, the Greenway gets very little light. Pedestrian level lighting would greatly enhance the usability of the greenway.</p> <p><b>Responsible Agency:</b> Department of Transportation</p> <p><b>Supported by:</b> Ryan Barthel, BxCB11 member</p> <p><b>Location Cross Street 1:</b> Stillwell Ave <b>Cross Street 2:</b> White Plains Rd.</p>	<p>Agency does not support and cannot accommodate; remove request</p> <p><b>Explanation:</b> Please contact the agency directly and promptly for more information.</p>
13	111202613C	<p><b>Request:</b> Other transportation infrastructure requests</p> <p><b>Explanation:</b> Pelham Parkway Greenway is a very heavily used pedestrian path that, even with its widening, is unable to support the volume of bike, scooter, and micromobility traffic it sees. Pelham Parkway North has an unused parking lane between Stillwell Ave. and Williamsbridge Ave as well as a nearly unused parking lane in front of the New York School for Special Education that extends to Bronxwood Ave. Creating a protected bike lane in this space would alleviate some of the congestion and conflict that arises on the Pelham Parkway Greenway and could either connect back to the Greenway at Bronxwood or continue on Pelham Parkway North to White Plains Rd. as a painted bike lane to connect to the lanes on White Plains Rd.</p> <p><b>Responsible Agency:</b> Department of Transportation</p> <p><b>Supported by:</b> Ryan Barthel, BxCB11 member Miguel Dyer, BxCB11 resident</p> <p><b>Location Cross Street 1:</b> Stillwell Ave <b>Cross Street 2:</b> Bronxwood Ave</p>	<p>Agency does not support and cannot accommodate; remove request</p> <p><b>Explanation:</b> Please contact the agency directly and promptly for more information.</p>

14	111202614C	<p><b>Request:</b> Other capital budget request for DOT</p> <p><b>Explanation:</b> The intersection at Boston rd and Pelham Parkway is one of the most heavily used in our district and is frequently congested. Additionally, 7 active bus routes traverse this intersection, and 3 of them - Bx12 SBS westbound, and Bx22 (both directions) must cross over 1 or more lanes of traffic in the space of this intersection. This requirement leads to aggressive driving on the part of both buses and cars, creating danger for everyone on and near the roads. Adding bus priority lights to allow buses to cross the intersection before private cars would allow them to position themselves in the appropriate lane without fighting cars for space and enhance safety.</p> <p><b>Responsible Agency:</b> Department of Transportation</p> <p><b>Supported by:</b> Ryan Barthel, BxCB11 member</p>	<p>Agency does not support and cannot accommodate; remove request</p> <p><b>Explanation:</b> Please contact the agency directly and promptly for more information.</p>

16	111202616C	<p><b>Request:</b> Upgrade or create new plazas</p> <p><b>Explanation:</b> The Pedestrian Plaza at Bronxdale and Antin Place in front of 2016 Bronxdale Ave is in need of equitable access to the residents in the community. There are boulders placed in the middle of the plaza but benches for residential use is needed. Without the benches and/or tables the plaza is just an empty space and not truly a plaza for pedestrians to enjoy. We are seeking funding from the DOT to upgrade the plaza so that the families in our community my enjoy it.</p> <p><b>Responsible Agency:</b> Department of Transportation</p> <p><b>Supported by:</b> Community board 11</p> <p><b>Location Site Name:</b> Bronxdale Pedestrian Plaza  <b>Address:</b> 2016 BRONXDALE AVENUE, Bronx, NY, USA</p>	<p>Agency does not support and cannot accommodate; remove request</p> <p><b>Explanation:</b> Please contact the agency directly and promptly for more information.</p>
17	111202617C	<p><b>Request:</b> Other requests for park, building, or access improvements</p> <p><b>Explanation:</b> To help improve access and equality to our public spaces requesting the installation of Pride Flags during the month of June - along Pelham Parkway &amp; The Rest of the CB11 district &amp; Parks - welcomes all to our publicly funded spaces and ensures equitable access &amp; Free Speech for those who are historically silenced locally. A symbol of resilience and tenacity these flags improve "access" for all - as Pride Flags tend to only be installed by The Parks Department Downtown in the numerous parks in the more stereotypical "Gay or LGBTQIA+" areas of the city so why not up here? Hence this request.</p> <p><b>Responsible Agency:</b> Department of Parks and Recreation</p> <p><b>Supported by:</b> Armando AJ Ramos</p>	<p>Agency does not support and cannot accommodate; remove request</p> <p><b>Explanation:</b> Agency does not understand the request as the light poles along Pelham Parkway are not under Parks jurisdiction.</p>

01	111202601E	<p><b>Request:</b> Other expense budget request for NYPL</p> <p><b>Explanation:</b> Our district is home to 3 well used libraries. While budgets have been largely restored after FY25 cuts, Sunday service has still not been restored. Our libraries need expanded funding to continue to offer the excellent services they currently do and to be able to expand. Our residents rely on the library as a cooling center, place to learn language, for recreation, to learn new skills, and much more. NYPL is requesting increased expense funding to operate these services and capital funding through the city's ten-year capital plan process to address their unfunded needs.</p> <p><b>Responsible Agency:</b> New York Public Library</p> <p><b>Supported by:</b> Ryan Barthel, BxCB11 member</p>	<p>Agency does not support and cannot accommodate; remove request</p> <p><b>Explanation:</b> Please contact the agency directly and promptly for more information.</p>

06	111202606E	<p><b>Request:</b> Information technology goods and services</p> <p><b>Explanation:</b> Community boards are made up of people representative of the community, and as such often bring together people who might not otherwise meet. This can bring unconscious biases to light and highlight areas where community members could grow, and we need support for this in the form of bias and discrimination training, similar to what many in NYS take already.</p> <p><b>Responsible Agency:</b> Dept of Information Technology &amp; Telecommunication</p> <p><b>Supported by:</b> Ryan Barthel, BxCB11 member</p>	<p>Agency supports but cannot accommodate; resubmit request</p> <p><b>Explanation:</b> More information is needed. 07	111202607E	<p><b>Request:</b> Hire additional traffic enforcement agents</p> <p><b>Explanation:</b> Our district is swamped with illegally parked cars. The average response time for a 311 report is over 4 hours, well over the average time in the Bronx as a whole and nearly double the citywide average, meaning any illegally parked car can effectively leave their vehicle where they like for as long as they like with no consequences. This makes our streets and crosswalks less safe, interferes with quality of life due to blocked in drivers honking, makes the few protected bike lanes we have almost unusable as trucks, delivery vehicles, and private vehicles park in them with impunity. We desperately need our traffic laws to be enforced, and we need personnel to do that.</p> <p><b>Responsible Agency:</b> Police Department</p> <p><b>Supported by:</b> Ryan Barthel, BxCB11 member</p>	<p>Agency does not support and cannot accommodate; remove request</p> <p><b>Explanation:</b> Please contact the agency directly and promptly for more information.</p>
