1. The meeting was called to order at 6:12 p.m.
2. FY2022 Budget Priority Requests
The Committee met and reviewed the FY2021 Budget Priority requests. The strategy is to reduce the number of requests per agency and focus on the funding and execution of one or two requests. Updated list will be distributed at the Full Board meeting.

The Committee established a date for holding a public hearing in October.

The Committee decided to scrap the current outdated District Needs Statement and to draft a new statement that is based on data about our district and the priorities set in our budget requests.

Discussed emailing and calling the chairs of all committees for input on their committees perceived district needs.

3. The meeting adjourned at 7:35 p.m.
