1. GUEST: Bronx Psychiatric Center  
 Dr. Boudreaux and E. Baird made a Powerpoint presentation to inform the Committee of the services and programs at the Bronx Psychiatric Center on Waters Place. The outcome is to form a partnership with CB11 and the community at large to promote the many programs which benefit various populations of all diagnoses and age groups. The programs encompass short and long term residential treatment programs. In the near future, the community will be able to use the grounds and some of the buildings for community purposes, such as meetings, fitness and other health promoting classes.
